Promotional Body Painting

Advertising, Entertainment, Music Video, Trade Show, Fashion, Television/Film

Whether you need a striking new approach for a new ad campaign, a cutting edge for a product launch, or a bevy of captivating and colorful live models for your grand opening, we've got the ideas and the expertise to make it happen for you. Think of how much more notice your logo will receive painted on the body of a live model than by any other way you can imagine. There's no comparison!

We also offer full photographic retouching services available in-house to make your images as tight and exacting as your high standards demand.
